

MIAMI Building Distribution with its headquarters in Gniezno, was established in 2019 its beginnings go back to 2004. Since that year we have started to deepen our knowledge of technical issues and numerous system solutions in the construction industry.

Our company's motto says: „super quality on time” which means that apart from building materials in good prices we also sell business relations which are so indispensable in the construction industry.

You will find more information on our websites: www.mbdistribution.pl and www.penoboard.pl

MIAMI Building Distribution offers cooperation in the area of:

1. **pitched roofs** (bituminous tiles, roofing felt, membranes, XPS, PIR, mats, mineral wool - stone and glass, OSB, etc.),
